PERSONAL PROJECTS

Instance CEG (11/2019 - 02/2020)

- This is an app I created for my friend who was in her college. She wanted an android application that will keep the students and faculties of the college updated with news, events and circulars inside college.
- User can create their own profile with OTP verification and browse through college circulars, news and events. The circulars was posted by staffs and verified. Students can be able to view complete information's about the event or circulars.

My Portfolio (12/2018 - Present)
